to

\_\_\_\_\_  
This breeding is accompanied by a "Live Foal Guarantee"; the foal(s) shall stand, nurse and live for 48 hours following birth.

Transported Semen

The transported semen fee is \$360 per shipment. This fee covers handling, collection, processing, 5-day Equitainer rental and shipping charges. (This is our veterinary cost.)

Each shipment shall contain enough semen for two inseminations.

Payment

The non-refundable booking fee of \$300 will be applied toward the stud service. In addition, the cost of the first shipment of semen shall be paid to Armani Associates, LLC before semen is shipped. Any subsequent shipments will require the \$360 shipment charge.

The booking fee is non-refundable except where handling of mare or stallion was not undertaken. Acceptable mares may be substituted when necessary to assure pregnancy.

The remainder of the service fee is due when mare checks in foal 40 - 60 days after the last estrus cycle. If desired, the breeder may elect to pay monthly installments of \$250 until service fee(s) are paid in full.

Robbin Stewart/Armani Associates, LLC agrees to execute necessary documents for the registration of the resulting foal upon completion of payment.
